My dear Miss Tarbell, May 31<sup>st</sup> 08

Before each biennial meeting  
of the Federation of Women's Clubs  
I have sent to the clubs some  
circular in the interests of  
women and children asking  
for action at that meeting.

Enclosed is the circular for  
the present year with some  
responses which you may  
find suggestive.

Yours sincerely,  
Florence Kelley
