

March 18, 1940

Dear Dr. Green:

Your letter with the copy of "All in the Day's Work" has just reached Miss Tarbell's desk. She is in Arizona at present, but I am expecting her back about the second week in April.

I know Miss Tarbell will be glad to autograph your book for you. I shall be glad to keep it in a safe place until her return.

Yours very truly

Secretary to Miss Tarbell

Dr. F. H. Green  
Pennington, New Jersey
