Dear Ida M:

I have read "Tab" books with
enthusiasm and great profit. It was
fine of you to send it to me and I am
very grateful. It is admirably done
in every particular, well conceived, and
excellently written in every regard and
it occupies a high position in the Tarbell
section of my library, as do other
numerous works which I greatly
value. It is neither too lengthy nor
too brief and is presented most effectively.

It is an extremely interesting
biography. I only wish O. D. G. had
been nominated for the presidency,
as he should have been. And then, if
Leah had appointed you Secretary of State
it would have suited me and a
large number of other people.

That look of yours looks extremely
well too. Altogether it is a fine performance.
Some day I may tell you more about
its events but this must suffice for
today. It is lively and timely throughout
and will command a wide reading,
or I miss my bet.

Many, many thanks

Downer Hooper
