

68 Eagle Rock Way
New Haven Ct.

Dear Miss Corbell,-

I am writing to you,
instead of to the Post
and Branch Club, to
say how sorry I am
not to be at recep-
tion for you on
February fifth.

Sunday is my one
day with the child-
ren - they just come
on me - and I must
be here, when it can
be arranged.

I shall be thinking
of you, and sending
you every good wish.

Affectionately yours
