Dear Madam;-

Your letter of April twelveth at hand.

We are glad that you received the MSS and that you will be able to go over it promptly and are making such suggestions as may seem wise to you. It has been our idea to make a 16 mo. volume of about two hundred & twenty-five pages to sell at a low price, somewhere between fifty cents and one dollar. If we have omitted much material that should be included we can of course enlarge the book correspondingly. It has not been our idea to put in many illustrations, possibly not more than a frontispiece.

We might add three or four half tone portraits however, and make the book more attractive in this way.

If we conclude to do this and can ^{not} find such material as we want, we shall be very glad indeed to have your aid as you suggest.

Yours truly,

JOSEPH KNIGHT COMPANY
