Miss Ida M. Tarbell
c/o Paul Reynolds
599 Fifth Avenue
New York City

Dear Miss Tarbell:

Just a note to say how much everyone here liked the article. I thought it the only truly unbiased presentation of this difficult topic that I have seen. It says a number of things that very much need saying.

Today Paul Reynolds sent me a brief insert which I will, of course, see gets into the article.

Sincerely,

Loren Palmer
