Miss Raphael,
Harper Brothers,
49 East 33 St.,
New York City.

Dear Miss Raphael:

Have you ever gotten back from that nice young man who came to interview me the printed material on my poor self which I loaned him? I really must not lose that stuff, dear Miss Raphael, it is too useful in my business. Won't you see if you cannot persuade, or compel, him to keep his promise and return it?

Sincerely yours,
