Dear Miss Tarbell:

I am enclosing this letter from Bruce Gould. I
am sorry that his decision wasn't different.

Yours sincerely,

Paul R. Reynolds

Dear Mr. Reynolds:

I was very much interested in Ida M. Tarbell's story, THE AMERICAN WOMAN TAKES AN INVENTORY. She always writes with great logic and reasonableness, but I don't see how we could quite use her article at the present time. And I am reluctantly returning the article with thanks for letting us have a look at it.

Sincerely,

BG:K
