

in which
 that - I was something the women
 had no part - ~~either by effect or~~ it
 did not begin with them - they con-
 sidered nothing to it & had no share in
 the management - so they judged
 the plan - a woman had as much
 free insurance if he took an equal
 amount & paid for it? ~~But~~
 But many women looked at
 the plan for the month & did
 not ~~accept~~ - Mrs. S. saw her dream
 of having every woman in her com-
 pany safe protected from old ex-
 pensive things - ~~so he~~ He says the
 and of he went on a
 new tack - the company would ~~dealt~~
 women - instead of ~~of~~ let
 future - He has a plan of my
 credit ~~accept~~ it - ~~you~~ could
 work for the C. S.
