My dear Miss Tarbell,
Just a line
to let you know
we have received
your Xmas box
and we were all so
pleased and thankful
to you for it. My
doll is lovely and
I called it I da. and
my little sister Bess
was so pleased with
her teddy bear
she wanted one for
a long time and
Mamma could not
get her one. She
takes it to bed every

night. ~~Go~~ And all of
the children liked
their presents.

Mamma like her
and is going to make
adress for her self
this week as we are
out of school.

Our tree looked very
prettie. We did not
get many presant
but we all enjoyed
I mass day.

We all send our
love thanks. And
best wishes. Wishing
you a Happy New
Year.

Your affectionate
friend
