Tucson, Arizona

Dear Dr. Lockwood:

I have your letter of the 19th saying that you have me down for an address on Lincoln before the Faculty and Student Body of the University on Thursday, February 12th, Eleven Forty A.M.

I appreciate the opportunity and as soon as I reach Tucson will get in touch with you for any instructions that you may have.

I am looking forward with much interest to my month with your institution and particularly to the opportunity to revive my old acquaintance with you and Mrs. Lockwood.

Very sincerely yours
