CREAMER & TURNER

March 28/35

Dear Miss Tarbell,

I have had a good talk with Glenn McKinney about getting his father to dictate his reminiscences as you suggested. It appears that he has already covered in this way much of the ground you indicated (I believe it was for one of those perennial "Biographies") & Glenn agrees to get in touch with you when they return to New York in April & let you see the sheets. You can then

decide what further data  
you would care for.

I wish you were down  
here to join the large and  
delightful Titusville colony  
in this balmy sunny region.

With best wishes and  
kind personal regards, I am

Cordially yours

John H. Schuler
