Dear Sir:-

In reply to your favor of March 25th, I am to-day sending you a photograph of myself, for which you asked. It is the last photograph I have had taken and most of my friends think it looks somewhat like me.

I hope that in preparing your article for the American Magazine some woman will be consulted who really knows something of the movement and has been associated with it. Many people are writing about it to-day who know practically nothing about it, and who are continually making misstatements of fact and confusing the whole matter, and I hope that whatever is quoted from suffragists on the suffrage side will be quoted from people who have had more experience than some of the recent recruits. Mrs. Ida Husted Harper, 315 W. 94th St., New York City, is, to my mind, the best authority and better able to prepare an article upon this subject than any other person in the country, and I hope she may be consulted.

Very sincerely yours,

Dic,

*Anna H. Shaw*
