Thanking you for your consideration

My dear Miss Tarbell:-

Miss Ida M. Tarbell.

I. M. Kerr

Permit me to introduce to you Miss Edith Robinson of our village.

I have known Miss Robinson all the time of my pastorate here and have followed her progress with much interest. She has done journalistic and magazine work, and is concerned about its extension. Any attention you may be able to give her, or suggestion out of your extensive experience, will be fully appreciated not only by Miss Robinson but by myself also.
