Dear Mr. Reynolds:

I have finished the Child Editorial article for the Delinicator and as I wanted Mr. Graeve to have it promptly sent it along. I hope you won't mind. I am going away Wednesday for a few days in the country and I wanted him to have a chance to look at it as quickly as possible, so if there were changes he could send them to me there. Possibly you would prefer to do that yourself - I don't want to ball up the machinery!

If it would help you out any on the article on the Summer Industrial School for Girls I could make you out an outline before I go away.

Very sincerely yours

Mr. Paul Reynolds
