Dear Julie -

Just a line to tell you that Miss Sargent came posting out Saturday night through the snow and the cold with your letter buttoned inside of her dress to tell me the good news that you liked her stories. Oh! but your letter made her happy! You should have seen her eyes!

It was so like you to write the way you did.

Caleb and I agreed later  
that you were just the  
same splendid old you  
under all circumstances.

I understand that the  
stories are not accepted  
but I guessed from your  
letter that you could  
make use of some of  
them at least.

Yours Curiously  
Alice.
