Dear Miss Tarbell:

I had a very interesting letter from Mr. O'Neil and am waiting for his book ~~book~~ which I shall read with great interest.

I suggested to him that he might like to meet with the young group to whom I have lent my house for meetings.

I am sorry you can't be with us on the eighth, we usually have a very good time at our gridiron wife's dinner and party.

Very cordially yours,

Miss Ida M. Tarbell
