

NEW-YORK. Sept. 13, 1900.

Messrs. McClure, Phillips & Co.,  
155 E. 25th St., City.

Gentlemen:-

In reply to yours of the 12th inst., regarding the price of "Natural History and Sport in Moray," billed to you on September 6th, we write to say that this book was originally published in 1882, at 50 shillings net. The book is now <sup>known</sup> entirely out of print, and the copy sent you was the only one that we could find. On account of its scarcity the price has been very much increased, and we had to pay considerably over the published retail price for this copy, which accounts for the price charged to you.

Regretting that we cannot supply the book at the original figures, and assuring you that we have done the best that is possible under the circumstances, we are-

Yours truly,

Charles Scribner's Sons.
