

THE DRAKE

440 PARK AVENUE  
NEW YORK

Dec 3/31

Dear Miss Tarbell

I have  
your telegram of today. It  
is most fortunate that  
Dr Talley is here just now.  
You can come to so much  
better an understanding by  
a talk than by correspondence.  
I shall greatly appreciate

leaving what you & he  
decide as well as the results  
of your talks with your  
publisher & agent.

I quite agree with you  
that it would be well not  
to press the money side of this  
matter until you ascertain  
how things stand with you.

We are leaving for home  
tomorrow.

It was a real delight to have  
seen you yesterday.

Cardially yours

John W. Scheide
