Miss Ida M. Tarbell,
c/p The Authors' League of America, Inc.
2 East 23rd Street,
New York City.

Dear Miss Tarbell:-

Success Magazine is making a leading article of a symposium of the ruling ambitions of men and women prominent in various lines of endeavor:--authors, artists, big business men, bankers, lawyers, clergymen, scientists, etc. The magazine will have a display cover calling attention to this article.

Do you want to tell us what is your heart's desire? Is it wealth, health, fame, love, children, beauty, culture, travel, education, friends, popularity, leisure, sports, understanding, self-development, or something else we haven't thought of?

May I or one of our representatives call and see you if you are in town, in order to secure an interview? We go to press very early so the sooner we can see you the better it would be for us. We should like also to know where we can get a good photograph of you.

Yours sincerely,

Roy Mason
