The American Magazine,

Union Square New York, City,

Gentlemen; -

Enclosed please find marked article in Over Seas Daily Mail, which struck me as particularly interesting as bearing on the article in your October issue by Miss Tarbell, on the passing of wool.

As an American born man and deeply interested in the progressive movement in the interest of human betterment, could not resist the impulse to send this to you.

With appreciation of the efforts you are making in this direction,

As very sincerely,

J S Hillins
