

My dear Miss Tarbell:

One of my most valued gifts this Christ-
mas tide is your Autobiography which
I read and enjoyed some months ago.
The copy before me is priceless for it
contains your autograph and it is my
very own to underline and annotate
as I like to do with my best loved
books. It is a great work by a great
lady!

With all good wishes

for the

coming year.

M. E. Tupper
