

July 27, 1942

Dear Miss Tarbell:

It was thoughtful of you to write me about Miss Tarbell's illness. We have all been thinking of her during these recent months and have been hoping that she will make a complete recovery.

It was a great pleasure to have a part in the exercises at Wattsburg. Sometime when I am at Bethel, I shall plan to bring a detailed report.

With kindest regards,

Sincerely yours,

William P Tolley
