THE DIRECTOR

Department of Commerce and Labor
BUREAU OF THE CENSUS
Washington

October 17, 1912.

Miss Ida M. Tarbell,
132 East Nineteenth Street,
New York City.

Madam:

In reply to your letter of October 16, there is sent you herewith a copy of a press announcement giving the sex distribution for each state and for the principal cities of the United States.

The tabulation of the returns of the Thirteenth Census with respect to occupations has only just been commenced, and it will be several months, therefore, before any statistics of this character can be supplied. A note has been made, however, to send you a copy of the bulletin on occupations as soon as published.

Very respectfully,

Director.
