Miss Ida Tarbell,
120 East 19th St., New York.

Dear Miss Tarbell:

I am very grateful to you for your friendly letter of the 5th inst., and wish my contribution could have been greater.

I am soon to set forth on a new and difficult enterprise which I hope will at least enable me to be of some use in the trying situation in which the world finds itself involved at the present time.

Your kind expressions are highly appreciated; and with repeated good wishes for the New Year and kindest regards, believe me,

Sincerely yours,

Myron Taylor
