Dear Miss Tarbell

I found we could not. Rev. Mr.  
Quapp's name once until November.  
I thought the wisest thing to do was  
for it to go to the foot of the list -  
• not let it come to vote on.

There seemed to be so much opposition  
from so many members of the club.

I don't know Mrs. Snapp but I feel very  
sorry about it on account of her  
having been seconded by you & so  
did all the other gentlemen. —

Believe me

Very sincerely yours  
Eustace Washburn
