Thank you

Dear Mrs. T. Ashell.

I want to thank you for the great  
pleasure I owe to you, the pleasure of meeting and  
talking to Mr. Schenck - what a wonderful man he is -  
how young, and energetic - his big & warm eyes in  
W. Brown - I don't know when I have had a more  
interesting or valuable talk - He and I might come  
again, and I certainly shall do.

Yours truly,  
—  
Dan E. Schenck
