Rev. Ralph Metcalf
Wattsburg M. E. Church
Wattsburg, Pa.

Dear Sir:

Will you please send me a copy of the prayer which you gave at the unveiling of the birthplace-marker honoring Miss Tarbell. In order to make our records of the event as complete as possible, I am trying to collect all of the parts of the program so far as possible. In case you did not write out the prayer will you reproduce the prayer as closely as possible.

Thanking you, I am

Very sincerely yours

Edith Rowley
