Mr. Hugh MacRae  
Wilmington, E. C.

Dear Mr. MacRae:

Your letters of January 12th and 16th have reached Miss Tarbell's desk. She has been away from New York for the past week but I know if she were here she would want me to thank you for sending her the article from Calliers for her files. I know she will be pleased to have it.

When Miss Tarbell returns the first of the week I shall call her attention to your letters and enclosures.

Yours very truly

Secretary to  
Miss Tarbell
