Messrs. Ottaway & Munson,
Westfield, N.Y.

Gentlemen:

Pardon the delay in replying to your
letter of October 10. I have been out of town for several days.

I am enclosing the receipts, signed as you requested.

I of course appreciate your getting the claim allowed.
There is one other point. Is my letter, saying that it was my
sister's and my intention to hold this money as long as Mrs.
Knowles lives so that it could be used for her in case it was
needed, a sufficient pledge? If not, we will be glad to sign
any paper which you may think necessary.

Very truly yours,
