Dear Miss Rogers:

I am sending you Mrs. Sabin's reply to my letter telling her that she was this year's choice of the jury for the A W A medal. I am sending you the original for your files and keeping a copy for mine.

You will see that Mrs. Sabin says nothing about being at the Friendship Dinner. I, of course, wrote her that that was where the medal would be given. As I understand it Mrs. Shephard is to see that she is there. Perhaps you better make sure of this.

Very sincerely yours
