Mr. Angelo Patri,
601 E. 170 St.,
New York City.

My dear Mr' Patri:

How good
of you to write me about the little
article in Collier's. I was disap-
pointed in it. It is not worthy of the
subject. I ought to have hung around
longer. Still, if you think it is not
too far below the mark, I am consoled
if not satisfied.

I like the picture!

Remember me most kindly to Mrs.
Patri.

Sincerely yours,
