February 23, 1934

Dear Mr. McClure:

Who is the subject of this "great job"? It would have to be somebody very compelling and there would have to be a big fat annual salary to make me consider it. I have ~~got~~ more work ^{now} on hand ~~now~~ than contracted for - more than I shall ever get done I am afraid.

Drop me a note or phone me - I am housed and not allowed to see anyone.

Faithfully

Mr. S. S. McClure
