178 EAST SIXTY-FOURTH STREET.

Dear Miss Fairbell

Suppose you send
me back the last letter
from the Pequea Mills.
Keep the rest if you care
to. I sent you the docu-
ments with the idea that
you might know better
than I what ought to
be said to the Pequea
Mills people. All I really
know about about ^{parts of tariff} this is
what I pick up from day
to day from students like
you or debates in Congress.

Yours sincerely

Edward D. Martin
