Dear Ida Tarbell

I expect that
you are being overwhelmed
by letters of appreciation
in regard to your

appeal in this morning
New York Times for

Chautauqua

well sure's another

word of recognition. It
is a plumb's appeal,
temperate and sound
but so vivid. I wish
I had played Hop
Scotch in and out of the
Dead Sea on that
map of Palestine.
May you have a deserving
response
Yours faithfully
Helen Moore
