Dear Madam:

We have decided to ask you to execute an affidavit in regard to your claim against the Knowles Estate in which we do not state times of payment of the moneys because that, on the face of it, will show that some portion of it was more than six years ago. We have redrawn the affidavit and enclose it herewith and ask that you sign it and swear to it before some notary public and try to return it so that we can have it by Wednesday of next week.

Yours very truly,

Ottaway & Munson
