Mr. Hamilton Gibson,
McCalls Magazine,
Chicago, Ill.

Dear Ham:

I feel it would be poor policy on my part not to write and congratulate Mc Calls through you on the excellent article that appeared in a recent issue by Ida M. Tarbell. You can readily see that she is making an intensive study of the situation and that she is presenting facts that should prove helpful not merely to the state but most helpful and interesting to the people on the outside of the state.

Needless to say, her comments about our development at BOCA RATON are right to the point and as they should be. For old times sake I take this method of thanking you and greeting you.

Sincerely,

P. M. Fahrendorf
