Miss Ida Tarbell,

Meadville, Pa.

Dear Miss Tarbell;

I had forwarded your letter to Mrs. Morck. and advised her that I had opened it and had written you that she was away, Mrs. Morck called me on long distance phone this morning and wanted me to write you and say that she was not returning home until about the 16th. and that she would be very much disappointed if she did not get to see you before you left Meadville, perhaps you might arrange to come down the middle of the week of the 15th. when I feel sure that she will have returned home.

Yours very truly,

G. First Secy.
