My dear Mr. Farber,

I trust that it is not too late to send you my loving and sincere wishes for your
Birthday - I am
most sorry that
I could not join
the club meeting
but as I have
just returned from
a snow trip in the
North, I did not
mention the
club's notice of
this happy event
even your very
cheerful letter can
not compensate me
if the club are to
mean much for us
our guide and
Consider all the years. Hey my mt
for away from
always with my
deep affection
Miss Derek Henderson
