Feb. 2, 1893.

My dear Miss Tarbell:

A sketch of Madame Daudet would probably be acceptable. I should like to have a number of illustrations for it--pictures of the home or homes of the family; also, of course, a portrait of Madame Daudet. I have a very good portrait of her in a little book by her. I have no doubt you can make a capital article.

Very truly yours,

Miss Ida M. Tarbell,

Paris, France.
