Dear Miss Tarbell:

The Chairman of the Advisory Committee on Women's Participation in the New York World's Fair, Mrs. Vincent Astor, has asked me to serve as Chairman of a Committee on Organised Hospitality in connection with the entertainment of the many official guests, distinguished visitors, delegations and others who will come from the United States and all over the world to visit the New York World's Fair.

It is expected that many social and educational services will be offered to these visitors which will make their stay in New York more pleasant and their impressions of the New York World's Fair most favorable. While many events are being arranged by the New York World's Fair authorities for their entertainment, the Men's and Women's Advisory Committees will have their own National Advisory Committees' Building and it is in connection with its functions that we have in mind inviting a number of outstanding and distinguished women in New York to serve on a Panel of Hostesses for the New York World's Fair.

I would very much like to have your cooperation in appointing the members of this Panel so we may be in direct contact with your organization and I have the pleasure of inviting you to nominate three officers or members of your organization whom I will then invite to serve as members of the Panel of Hostesses.

May I have your nominations as soon as it is convenient for there is much pre-Fair hospitality to be arranged as plans for the Fair are carried forward.

Committee on Organised Hospitality

Harriet Aldrich
Chairman
