Dear Miss Tarbell:

Enclosed is an additional page of notes in reply to your inquiry of July 25, as promised in my letter of August 2. There may be more later.

You will see that I have taken your request literally and I am including everything in each division that can be identified with the period, 1878-1900. More information for each entry, as used on the legend in the museum, may be had if wanted.

Very truly yours,

V. L. Dodge
