My dear Miss Bourne:

Thank you for your letter of the Twelfth confirming the telephone conversation with you and Mr. Burton.

Would Mr. Burton like an interesting and almost unknown portrait of Lincoln—a contemporary ambro-type—his first political picture as nearly as I can make out? I can secure for him the right to reproduce it if it would interest him. It might serve as an illustration with the paper I am writing for him.

Very truly yours

[Handwritten note: A short block of text is written here, likely in response to Miss Bourne.]
