Dear Miss Tarbell:

With this are the original notes of the remarks I made at the Sunday Evening Gathering at the Club telling of my experiences at the time of the Battle of Gettysburg - July 1863. and of the address of President Lincoln at the dedication of the National Cemetery at Gettysburg. November 19, 1863.

My notes are quite full. I have intended to revise and rewrite them but have been very reluctant to do so. they need much of editing.

Perhaps you will bear with me in sending them as they are - you will I am sure be able to supply between the lines here and there for the full reading.

If it interests you or gives you any pleasure in the reading I shall be gratified. It has been a great and continuing memory to me.

Yours sincerely  
James A. Farnsworth
