New York, N. Y.

My dear Miss Tarbell:

Referring to your recent letter again, I wish to call your attention to the fact that running thru your first volume of Life of Lincoln from page 344 on, you may find some information that will help you to locate the names of the County Committee who ran Lincoln's campaign against Douglas. I was very much interested in your book in going over it again last night. I just call your attention to this in order that if you wish, you can refer to it.

Sincerely yours,
