Curator of Lincoln Collection
Decatur Public Library
Decatur, Ill.

Dear Sir:

Have you a printed list of the articles in your Lincoln Collection? If you have not, could you have made for me - of course at my expense - a list of the items referring directly to Ann Rutledge?

As I remember, when I visited the Collection some four years ago, there were full labels attached to the important articles. I should like all of those referring to Ann Rutledge copied.

I hope this request is practicable, and that you will give it as early attention as is convenient.

Thanking you in advance for your courtesy, believe me

Sincerely yours
