

My Dear Mrs Tarbell

With your faith in my  
Success it can never be a  
Failure,  
Even though millions of others were  
against it.

I shall never cease to be grateful  
to you for your kindness in all  
you have written in favor of  
our Success. I will be glad to see  
Edwin Hookham's article on the  
Stone, also the kind of England,  
in the Christian Science Monitor,  
In answer about the nude study  
it was covered with

454 Fort Washington Avenue  
New York City

the clothes, and not cut, as was  
lost, I have I think? the small  
study  $\frac{3}{4}$  life size,  
I will verify this shortly.  
Accept my life long gratitude  
for the articles written by you,  
they will help me, in other  
work for the truth

Believe me to be yours

Faithfully

Joseph Gannard
