The Darmstaetters,
59 N. Queen St.,
Lancaster, Pa.

Gentlemen:

I have your note of May 29, saying that you can make me a photograph of the tablet commemorating Abraham Lincoln's visit to Lancaster for \$3.50. I suppose this means that you make a new photograph?

I understand that you have already made a plate of this tablet and that a copy from that costs one dollar. Now, if you still have the plate, will it not do as well for me to have a copy from that? If it is necessary to make a new plate, however, please do so.

Very truly yours,
