Dear Miss Tarbell:

I have recently acquired a small remainder of a remarkable little book on Abraham Lincoln, under the title "THE MASTER AND HIS SERVANT": Comparative outline sketches of the Redeemer of Mankind, and the Emancipator of a Race, etc. By J.T. Hobson, author of "Footprints of Abraham Lincoln". Published 1913, as new, cloth, 126 pages, sent post-paid for \$2.00

The author makes no attempt to Deify Lincoln, but he has certainly succeeded in showing many similar incidents and experiences in the lives of his two characters. The book is of special value to public speakers, and is a desirable addition to any collection of Lincolniana.

May I not have your order for a copy?

Respectfully,

H. E. Barker
