My dear Miss Tarbell:

Thank you ever so much for your hospitality shown me while in New York. I enjoyed the visit with you, especially the reminiscing on our journey to Long Run a number of years ago.

I shall get together my notes and other data on my recent work within the next few days and forward same to you.

Thanking again for a very pleasant afternoon, and with every good wish, I remain

Sincerely yours,

THOS. C. FISHER.
